

## JOVASI TECHNOLOGY LIMITED

# CYBER SECURITY SERVICES LEGAL & FINANCE SECTORS

In common with many other industries, the cyber threat to the UK legal and financial sectors is significant, and the number of reported incidents has grown substantially over the last few years. The threat actors are primarily cyber criminals with a financial motive, and the financial and reputational impact of cyber attacks is also significant.

**60%**

of law firms reported a security incident in the last year

Over  
**£11million**

of client money was stolen due to cyber crime

**80%**

have reported phishing attempts in the last year

amount stolen by phishing  
**300%**  
higher than previous year

### Featured Services

#### Certification

We offer various cyber & information security certifications, such as ISO 27001, Cyber Essentials and IASME Governance.

- ✓ Accredited Certification Body
- ✓ Free Cyber insurance

#### Data Protection

Our data protection service helps protect your company's data assets inline with GDPR & the Data Protection Act 2018.

- ✓ Subject access request forms
- ✓ Data & consent registers

#### Network Security Scans

We scan your network and devices for weaknesses and vulnerabilities to minimise the risk due to cyber attacks.
